*This is the Family Tree of Patrick Eugene Straughan. I am in the process of adding all the members I know of at this time. I will then start to add the missing pieces. This takes time and I will work on it as time allows. Right now I have back to Richard Straughan b. 1680 as do alot of the Straughan's. I would like to fill in as many of the branches of this tree as possible, so if you have any information that you think I could use, please email me.*
